Narrative: SPOKE WITH OWNER, ADRIAN RUSH, who showed me a picture of a w/m, about ten yrs. old, wearing a large light colored helmet and a wooden grain skateboard, who lifed up the drive thru metal speaker housing. It appears that no damage was done to the housing or speaker system. I checked with 1470 Lauderdale that I learned had a similiar style helmet. After speaking with the parents there it does not appear to be the young juvenile that did this around 0450 Hrs. this morning. They told me they have a security alarm system that would go off if their son left the home while they were sleeping.
